

Join our team and take part in the Relay for Life* on the weekend of 23 to 24.3.2024

We are currently looking for people (parents, children, friends, etc.) who would like to join the "Syrdallschoulen" team (Betzdorf, Niederanven and Schuttrange schools) to complete our 2nd indoor team.

The Relay for Life (<https://www.relaispourelavie.lu>) takes place in 2 different ways:*

In the indoor format, the members of a team take turn for twenty-four hours on the Coque track (from Saturday evening 19:00 to Sunday evening 19:00). The members of a team must relay one after the other (the team has organised beforehand to define the time slots for each walker/runner).

The other formula consists of connected teams (outdoor). Here, everyone is free to run, walk, cycle, etc. whenever and wherever she/he/they want(s). The aim here is also to cover a total of 24 hours as a team over the same weekend.

If we manage to get another 10 people to take part in a relay on the Coque track, then we'll have 2 complete indoor teams, which will allow us to have 2 people on the track at the same time for each relay.

To join our indoor team:

1. Fill in the team form: <https://forms.office.com/e/f8Yw7udxva> and choose formula 1 as your preferred option.

2. Register through this link <http://www.edulink.lu/i93l> At the time of registration, you will be asked to transfer EUR 15 of participation fee to the Cancer Foundation (You need your Visa card!).

If you prefer option 2, fill in the team form and choose formula 2 as your preferred option.

You will then be contacted by me as soon as registration for the connected Syrdallschoulen team is possible (around 20 February).

I hope I can get in touch with you soon and that you will have a great time moving for a good cause on the weekend of 23-24 March!

Clôd Schmit (claudeschmit@education.lu)

** The aim of the Relay for Life is to raise funds for cancer research, express solidarity with cancer patients and commemorate those who have died of cancer.*
